Hire Station

As the name implies, Hire Station One Call is a purpose-designed service for all those customers who prefer to deal with Hire Station through a single point of contact. These customers typically work and travel extensively across the UK and have come to rely heavily upon our highly efficient and friendly one stop facility. One telephone number gives easy access to a small-dedicated team of hire controllers who are supported by our national network of Hire Station branches. Dealing with One Call puts our customers in firm control, simplifying the hiring process and ensuring accurate fulfilment of their needs.
