

**ERCOL**

Ercol are a UK manufacturer of solid wood furniture of the highest quality and strength. Ercol supplies furniture to many fine Hotels, Golf Clubs and other leisure establishments. From our factory in High Wycombe we make furniture out of Elm, Ash and Beech all sources from well managed and self sustaining temperate woodlands. Thoughtful stylish designs, allied to a mix of traditional craftsmanship and modern technology mean that Ercol can produce truly excellent furniture that will stand the test of time. Furniture that will remain a tribute to the makers skills as well as to the good taste and commercial acumen of the buyer. A wide range of pieces are available in keeping with the trend to make premises more welcoming and homely, without sacrificing practicality and durability. Within the range there is something to suit virtually every taste and location, an incomparable range of styles from traditional to modern. Furniture can be upholstered with a fabric of your choice or you can select from our extensive range of contract fabrics all tested to meet crib 5. With the long life expectancy of

Ercol chair frames, all items of upholstery are made to be easily removed for cleaning or replacement. All furniture can be supplied in any of our four standard finishes, Light Golden Dawn, Fruitwood and Traditional.
