

Interna

A modern and efficient Italian contractor specializing in hotel furnishings, offers to operators in the hospitality industry a complete service package, including production, financing, project management, quality control, shipping, installation and after sales assistance.

Interna has the capability of providing a complete turn key operation, being contractually responsible in respect to quality, pricing and delivery.

We have worked with leading hotels and international interior designers for projects in Europe, Middle East, Africa, Asia, Australia and South America. Our range of FF&E products is very extensive.

We manufacture casegoods, chairs and furnishings for guestrooms, suites, banqueting and public areas as well as office and outdoor furniture, lighting and accessories.

Interna also manufactures, delivers and installs joinery for guestrooms and public areas.

Kettal - Damero Collection

The Damero Armchair is a classic piece of furniture created for use outdoors and manufactured using modern techniques and materials that meet today's requirements. A strong yet lightweight, weatherproof stacking chair. It is sober and sensual, yet also highly practical and comfortable. The Damero Armchair is made of aluminium profile (frame) and die-cast aluminium (arms), with hand-woven vinyl ribbon seat and back.

Metalen

In their goal to meet the needs of Hospitality Designers and Hoteliers alike Metalen Hospitality Furnishings have taken a fresh approach to lightweight stackable guest seating and created the Laps™ collection of Luxury All Purpose Seating.

As the appearance of Laps™ seating can be so varied this makes them the ideal solution for projects including ballrooms, meeting rooms, resorts, clubs, restaurants, casinos, cruise ships, palaces and other venues who require quality guest seating.

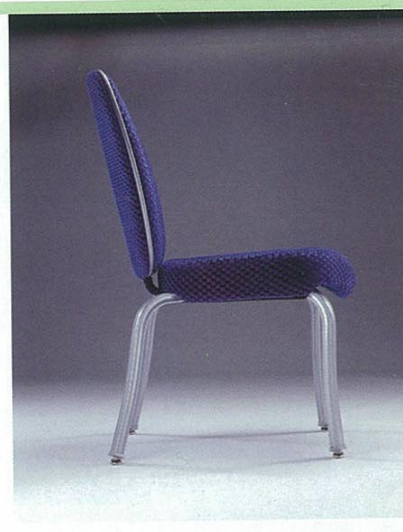

Guest comfort is assured with body responsive backrests, premium lumbar support and two styles of moulded seat cushion.

Metalen offer an extensive selection of aluminium stacking chairs including the Handcrafted collection which features innovative styling details and the

award winning Premium Collection which has received an internationally accredited Ergonomics Excellence award.

Other items manufactured by the company include three folding leg table systems for conference, banquet and meeting room use, a new range of cantilever chairs, portable stages, lecterns, room screens, rollaway beds, glass top buffet tables and other associated accessories.
