PROVIDING the fittings and furnishings for the Hotels & Tourism Lounge at MIPIM this year is Italy's Interna Group. The company serves the high-end hospitality and contract industries through three specialist subsidiaries: Interna Contract, Interna Collection and Logica. Interna Contract focuses on contract furnishing for the niche luxury market, producing furniture, furnishings and ornamentation on a turnkey basis. Interna Collection offers furnishing concepts from three different lines: Traditional, inspired by the 19th and early 20th centuries; Transitional, described as "the classical seen through modern eyes"; and Contemporary, which harnesses the creative talents of five top contemporary designers: Uwe Fischer, Alfredo Haberli, Isao Hosoe, Franco Poli and Hannes Wettstein. Logica provides four standard collections of office furnishings, various lines of chairs and space partition systems.
