INTERNA COLLECTION & LOGICA PRODUCTS

All the items belonging to the collections of Interna and Logica found in this site as images, drawings or sketches are exclusive property of Interna and are protected by registered design. They are available for sale and can be produced with materials, finishes and dimensions selected by the client.

PROJECTS

The images of the projects presented within this site depict the works implemented by Interna upon exclusive design of some of the most world-renowned interior designers. Everything included in these projects is shown here within as a reference of Interna capabilities and cannot be reproduced being exclusive property of the client or the designer.

Trademark

® Interna is a registered trademark.

All Interna and Logica products are covered by a registered design.

We would like to thank all our clients for always being so kind as to supply us with beautiful pictures of the work we performed for them.

Special thanks to all the designers with whom we cooperated for providing materials, sketches, and drawings of the concepts they created for the project we implemented.
