*Paris*

ID: Jacques Garcia

Client: Maisons Particulieres

Located in the high place of Parisian contemporary life, the Marais neighbourhood, *Maison Proust* celebrates taking time to let go while recreating the splendour of the Parisian salons in the Belle Epoque.

The magnificent fabrics used for the furnishings supplied by Interna, hand-crafted with the highest standards of quality, are mirrored on the wall coverings of the rooms, each one a world of its own, with individual colours and patterns inspired by the works of art they host. Here a close up of the **Leon Chair** from Interna high-end hospitality collection *Les Grands Classiques de Jacques Garcia*.
