

Private Villa Gstaad Switzerland

ID: Ardent Decoration Works
Client: Private Owner

For a stunning private mansion, located on the Swiss Alps in the town of Gstaad, Interna was called to supply all the indoor and outdoor fixed and loose furniture, from draperies to carpets, from lamps to accessories, following the concept of the interior design studio Ardent Decoration Works of Abu Dhabi.

Hundreds of custom-made items produced with the highest standards of quality in various styles, different materials and numerous finishes, a one-off and exclusively tailor-made eclectic project that has been a real challenge for Interna. Everything has been produced to perfectly match the personal aesthetics canons of the client and the architecture of the place, mixing opulence and luxury with the comfortable and warm chic of a typical mountain chalet.
